

## ANDRÉ RIEU'S CONCERT in Budapest

### Papp László Sportarena - Budapest

**Concert date: 31st May 2014 at 08.00 p.m.**

Violin master André Rieu, one of the best-selling live acts in the world, is coming to Hungary in 2014 with a brand new show!

Rieu's international "And The Waltz Goes On Tour" is an ode to the waltz and named after his successful album for which he collaborated with Sir Anthony Hopkins. But if you think waltzes is all André and his orchestra play, you're wrong – André Rieu's concerts are much more than that! From famous Viennese operettas to film scores, spirituals to musicals, and from folk songs to marches; André's concerts are a perfect mix of thrilling, romantic, festive and emotional melodies combined with surprises, balloons, beautiful soloists and of course Rieu's great sense of humor!
